About

Confident Housing Co-operative Society

Confident Housing Co-operative Society is established with the objective of providing reliable, transparent, and community-focused housing solutions to its members. The society is committed to creating well-planned residential developments while maintaining the highest standards of governance and member satisfaction.

Our mission is to promote affordable and sustainable housing opportunities while ensuring long-term value and trust for every member of the society.

OUR PROJECTS

★ URBAN NEXON

JUST LAUNCHED

Urban Heights is a thoughtfully planned residential apartment project designed for modern family living with spacious layouts, quality construction, practical amenities, and transparent ownership structure.

The project offers premium residential apartments, penthouse units, commercial shops, lift facility, granite staircase, parking, water and electricity connections, and organized community living.

Designed with comfort, functionality, and long-term value in mind, Urban Nexon is suitable for both end users and investors.
